About this Release

ABOUT THIS RELEASE

A CD-ROM product which includes the Catalogue of Publications and Products (1101.0) as well as information on selected key ABS products and services.

The Catalogue of Publications and Products is a comprehensive listing of publications and other major products and services available from the ABS. National and State products released since 1997 and those expected to be released during 2001 are included. A brief description (abstract) of the content of each item is given, as well as details of frequency, date of first issue, number of pages, price and ISSN or ISBN. Information is provided on unpublished data and the availability of customised services.

Information, in the form of articles, demonstrations and some material from the ABS website, is also included.
